MEMBER TESTIMONIES

"My experience with TEXAAN as a whole has been nothing but wonderful. Whether they are small webinars or grand events such as conferences. I was nervous attending my first event, even being virtual, because I didn't know what to expect. It definitely exceeded my expectations! The layout and formatting was easy to follow and navigate, the sessions were beneficial and focused on different hard hitting topics and trends, and not to mention the personalities and speaker list was phenomenal. I highly recommend anyone to join and be involved with TEXAAN!"

-Cindy Englehart, Texas Woman's University Advisor

"The TEXAAN 2021 conference was amazing! This was my first TEXAAN, and it for sure won't be my last. They made the event so much fun and inviting! Even being virtual, I connected and engaged with so many different people across the state and learned so much about other schools, their advising techniques, and their overall approach to helping students succeed in college. It was great to see everyone come together and share their passion for higher education! "

-Jennifer Browning, Austin Community College Advisor
